

APPENDIX R
MODEL ADMINISTRATIVE RECORD NOTICE OF PUBLIC AVAILABILITY

THE U.S. ARMY CORPS OF ENGINEERS
ANNOUNCES THE AVAILABILITY OF THE
ADMINISTRATIVE RECORD
(NAME OF FUDS PROPERTY, LOCALITY, STATE)

The U.S. Army Corps of Engineers announces the availability for public review of files comprising the Administrative Record for the selection of the (remedial, removal) response action at the (name of FUDS property, locality, state). The Corps seeks to inform the public of the availability of the Record at this repository and at the district office and to encourage the public to comment on documents as they are placed into the Record file.

The Administrative Record includes documents which form the basis for the selection of a (remedial, removal) response action at this FUDS project. Documents now in the Record files include (determination of eligibility/PA and SI reports, validated sampling data, RI/FS or EE/CA work plan, and the Public Involvement Plan). Other documents will be added to the Record files as the FUDS project work progresses. These additional documents may include, but are not limited to, the RI/FS report, the Proposed Plan, the EE/CA report, other technical reports, additional validated sampling data, comments and new data submitted by interested persons, and Corps responses to significant comments.

The Administrative Record is available for review during normal business hours at:
(information repository name, address, and phone number and Corps of Engineers district office name, address, and phone number and the room number for its public access reading room)

Additional information is available at the following location(s):
(name, address, phone number)

Written comments on the Administrative Record should be sent to:
(name, address, phone number)
